PAUL W. HOBBS

Paul Hobbs . . . Governor's Councilor for two years, Selectman for six years, State Representative for six years, a Trustee of Trust Funds and Cemeteries for 25 years, a Director of the First National Bank in Portsmouth since 1940. . . there is almost no public service position he has not held. One of the local positions of which he is particularly proud was that of a member of the Committee which built our Fire Station in 1968. And in addition he established and managed the Paul Hobbs Insurance Agency and developed Glendale Park with some 48 lots. Paul has been a major factor for public service in our Town for many years and we are pleased to dedicate the Town Book to him this year.

SELECTMEN'S ANNUAL REPORT TO THE TOWN

Each year we look back to see what has changed or influenced the Town. Last year Stanley Knowles began his report by noting a seven million dollar increase in our tax base. This year our tax base (the so called "ratables") increased by over ten million dollars, and we expect 1987 to show even more growth.

We are indeed fortunate that our Planning Board, together with the Zoning Board of Adjustment has insured that the growth be orderly and pleasant. We are continuing to work with the State of New Hampshire to help in resolving the traffic problems on Lafayette Road. It should be noted that the State tells us the traffic figures on this road are now averaging, over the course of a year, some 15,000 vehicles per day.

The increase in our tax base, together with substantial increases in the motor vehicle fees, permits, and Cable TV franchise fees have allowed us with your approval to maintain a high level of services without significant tax changes. However, the fact that there is increased income does not mandate that it should be spent.

I am pleased to report that our Emergency Medical Technicians are doing a fine job. Also the replacement ladder truck for the Fire Department was placed in service at the beginning of December of 1986.

In closing it is most important that we give our thanks to all of our Town employees. Without their dedication the Selectmen would be unable to function.

Walter S. Lermer, *for the Selectmen*

MATTERS OF GENERAL INTEREST

TO CALL POLICE – 772-4716

This gives you the Rockingham Sheriff's Office which is in radio communication with our police cruisers 24 hrs. a day. To call the North Hampton Police office (open from 8:00 a.m.-12:00 and 12:30 to 4:00 p.m.) on other than emergency business, please call 964-8621.

TO CALL THE FIRE DEPARTMENT OR TO CALL THE AMBULANCE – 964-8282

This gives you our fire Department, which is manned 24 hrs. a day, and which also dispatches our ambulance. To call the Department on other than emergency business, please call 964-5500.

OFFICE HOURS for the Selectmen's Office, the Town Clerk's Office, the Tax Collector's Office, and the Building Inspector's Office are posted on the front door of the Town Office Building. Currently they are as listed below.

POSTING OF NOTICES for meetings of the Zoning Board of Adjustment, the Planning Board, the Budget Committee, the Conservation Commission, and like organizations are normally posted inside the front door of the Town Office Building. When required, they may also appear in a local newspaper as for instance the Hampton Union or the Portsmouth Herald.

SELECTMEN'S MEETINGS are held the second and fourth Monday evening of each month, commencing at 7:30 p.m. All meetings are open to the public and public participation is welcomed. If a person wishes to address a specific problem they are urged to contact the Administrative Assistant before 3:00 p.m. by calling 964-8087, so that they may be placed on the agenda. The reason for this is that the heads of Departments normally make their reports first at the Selectmen's meetings, and this system saves time waiting.

VETERAN'S EXEMPTION FORMS

Veterans who request these are required by law to fill our Form A-2, (a green sheet), listing their war record. This need only be done once.

ELDERLY EXEMPTIONS

There are certain qualifications applicable and it is suggested that one contact the Administrative Assistant.

MATTERS OF GENERAL INTEREST Continued

SOLAR EXEMPTIONS require the filing of the green form mentioned above.

WIND EXEMPTION

No exemption is allowed.

CURRENT USE

These Forms must be completed and filed by april 15th of a given year and need not be re-filed. They apply until the *land use* is changed, when a tax is assessed.

OFFICE HOURS

Selectmen's Office (964-8087)

Mon. through Friday 8:30 to 12:00, 1 to 4 PM

Town Clerk (964-6029)

Mon. through Fri. 8:30 AM to 2 PM

Mon. evenings 6:30 to 8 PM

Tax Collector (964-8613)

Monday, Wednesday, Friday 9 AM to 12 Noon

Monday evening 7 to 8 PM

Building Inspector and

Code Enforcement Officer (964-8650)

Office in Town Hall

Monday thru Thursday 9 to 12

Inspections are made in the afternoons

NOTE: The Selectmen urge all residents to make sure their street numbers are posted prominently out at the street. This is now a Town Ordinance and carries a fine for non-compliance. This enables emergency vehicles, Fire Trucks, Ambulance, etc., to quickly locate the house in question.

REPORT OF THE ANNUAL TOWN MEETING OF THE
TOWN OF NORTH HAMPTON, N.H.

March 11, 1986

A meeting of the inhabitants of the Town of North Hampton qualified to vote in Town affairs was held in the Elementary School in said Town on the 11th day of March, 1986. Notice of the meeting had been duly posted as required by law and the alphabetical list of voters, duly subscribed by the Supervisors of the Checklist, had been posted and was available.

The elected Moderator, Paul S. Cuetara, opened the polls at 10:00 a.m. It was moved, seconded, and duly voted that the business section of the meeting would be held commencing at 7:30 that same evening, and that the polls would remain open through the day and long enough after the business meeting to enable everyone to have an opportunity to vote.

At 7:30 p.m. on the 11th of March, 1986, the business section of the Annual Town Meeting was called to order by the Moderator. He stated his rules for the conduct of said meeting, introduced the individuals seated up front, and proceeded to take up the Town Warrant, Article by Article.

Paul S. Cuetara was elected.

Mr. Walter Lermer moved and Mr. Carrigg seconded, that the Town vote to fill these various positions as follows:

- Surveyor of Wood and Lumber D. Morris Lamprey
- Wood and Tree Warden Stanley Knowles
- Overseers of the Poor The Selectmen
- Fence Viewer Building Inspector

There was a hand vote and MOTION CARRIED.

ARTICLE II: To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of taxes.

Motion was made by Mr. Lermer and seconded by Mr. Knowles.

Vote was by show of hands. MOTION CARRIED. No discussion.

ARTICLE III: To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

Motion was made by Mr. Carrigg and seconded by Mr. Knowles.

Vote was by show of hands. MOTION CARRIED. No discussion.

ARTICLE IV: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes annotated Chapter 31: Section 95-b.

Motion was made by Mr. Carrigg and seconded by Mr. Lermer.

Vote was by show of hands. MOTION CARRIED.

ARTICLE V: To see if the Town will vote to accept the reports of Town Officers.

Motion to accept the report of the Town Officers as reported in the Town Book was made by Mr. Carrigg and seconded by Mr.

Knowles. Vote was by show of hands. MOTION CARRIED.

ARTICLE VI: (On the official ballot) Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance, as follows:

To see if the Town will vote to amend Section 302 as follows:

1. Delete paragraph 8 of Article III Section 302 and add the following:

8. FAMILY UNIT: One or more persons occupying a premise and living as a single unit, as distinguished from a group occupying a boarding house, club, fraternity or hotel, including quarters for relatives or servants or employees whose duties involve the premises on which they reside, so long as no rent is charged, utilities and kitchen shall be shared.

2. To add the following definition to Article III Section 302 as follows:

35. EXTENDED FAMILY APARTMENT: A second basic housekeeping unit as part of a single family dwelling. The

size, configuration, exterior appearance, parking situation, septic capabilities and the neighborhood shall be considered as an incidental use, by the Zoning Board of Adjustment before granting this extended family apartment as a Special Exception. The apartment to be used only by relatives, servants or employees whose duties involve the premises on which they reside and for which no rent will be charged. The Selectmen shall record at the Registry of Deeds a statement signed by the owner of the property acknowledging the use restriction.

3. To add the following Special Exception, "Extended Family Apartment" as item 13, R-1 High Density District and as item 13, R-2, Medium Density District and as item 6, R-3 Low Density District all in Article IV Section 405, use tables.

ARTICLE VI: 209 Yes – 62 NO

ARTICLE VII: (On the official ballot) Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance, as follows:

To see if the town will vote to amend Article VII Section 701 to read as follows:

Change the first paragraph of Article VII Section 701 so that it will read as follows:

Permits: No person shall commence in any part of North Hampton, construction, alteration, installation, removal, or demolition of a building or structure without obtaining a written permit for the same from the Building Inspector or other duly authorized enforcing agency and paying a fee in accordance with the following schedule. Said fees shall be turned over the the Town Treasurer. The provisions of this section shall not apply to maintenance work performed for the sole purpose of preserving, protecting or refurbishing, when such maintenance involves no structural changes, no alteration to electrical wiring or plumbing systems, and any material removed is replaced with like material. "Construction of single family dwellings shall conform to the B.O.C.A. One and Two Family Dwelling Code," 1979 edition and the latest revision thereof. All other construction shall conform to the "B.O.C.A. Basic Building Code" 1981 edition and the latest revision thereof. All new buildings will comply with

B.O.C.A. Fire Prevention Code and the latest revision thereof. All electric and plumbing work will conform to the codes as adopted by the State of New Hampshire.

ARTICLE VII: 200 Yes – 70 No

ARTICLE VIII: (Recommended by the Budget Committee) To see if the Town will discontinue Capital Reserve Fund #1, Town Buildings, as it is no longer used or needed. The fund consisting of \$119.27 principal plus income shall be returned to the general funds of the Town.

Motion was made by Mr. Knowles and seconded by Mr. Lermer.

Vote was by show of hands. MOTION CARRIED. No discussion.

ARTICLE IX: (Recommended by the Budget Committee) On Petition and subsequent presentation to and approval by the Board of Water Commissioners, duly elected or appointed by the Town of North Hampton, to see if the Town will vote to raise and appropriate the sum of One Hundred Twenty-Eight Thousand Six Hundred Dollars (\$128,600.00) for the extension of the water line along North Road from Route 1 easterly to the Rye, New Hampshire line and also along Park Circle and authorize the withdrawal of Thirty-six Thousand Two Hundred Thirty-six Dollars (\$36,236.00) including any additional accrued interest, from Capital Reserve Fund No. 2 (WATER), established in 1945, and to further authorize the Selectmen to act as Agents for the Town in connection with the purpose for which this fund was established in accordance with the New Hampshire Revised Statutes Annotated Chapter 35: Section 15, with the balance of Ninety-two Thousand Three Hundred Sixty-four Dollars (\$92,364.00) to be raised by a bond issue amortized over a five year period; all monies received by the Town as compensation from the Hampton Water Works shall be reimbursed to Capital Reserve Fund No. 2.

Motion was made by Mr. Simmons and seconded by Mr. Lermer.

Vote was by show of hands. MOTION CARRIED.

Mr. John Burn stated he was in favor of the article; his well was contaminated and he had to purchase water; Mr. Burn thanked the Budget Committee and Town fathers.

Mr. Paul Makin questioned when the work would be done. Mr. Simmons answered that it would be dependent upon the results of the meeting.

The Moderator determined the motion carried by an 80% vote in favor of the Article.

ARTICLE X: (Recommended by the Town Budget Committee) On petition of Michael C. Oiler and ten (10) other legal voters of the Town of North Hampton, so see if the Town will vote to raise and appropriate the sum of Nineteen Thousand Seven Hundred Dollars (\$19,700.00) to extend the water line northerly on Birch Road from the existing water line at the Tennis Club, a distance of 550 feet.

Motion was made by Mr. Simmons and seconded by Mr. Knowles. Vote was by show of hands. MOTION CARRIED.

Mr. Oiler spoke in favor of the Article as he has had problems with his well being contaminated.

ARTICLE XI: (Recommended by the Budget Committee) To see if the Town will vote to approve the return to the Town Revenue Sharing account of certain allocated but unspent Revenue Sharing Funds so that they may again be allocated, namely:

| | |
|--------------------------------------|------------------|
| Fire Department Paint for Station | \$ 344.71 |
| Fire Department Station Maintenance | 1,384.07 |
| Mosquito Variable Flow Control Panel | 1,300.00 |
| Total | <hr/> \$3,028.78 |

Motion was made by Mr. Lermer and seconded by Mr. Carrigg. Vote was by show of hands. MOTION CARRIED. No discussion.

ARTICLE XII: (Recommended by the Budget Committee) To see if the Town will appropriate a sum not to exceed Ten Thousand Four Hundred Fifty Dollars (\$10,450.00) for the purchase of a new police cruiser, and to authorize the withdrawal of Seven Thousand Five Hundred Fifty Dollars (\$7,550.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto, with the balance of Twenty-nine Hundred Dollars (\$2,900.00) to be withdrawn from Capital Reserve Fund No. 6, and to authorize the Selectmen to act as agents for the Town in connection with the purpose for which this fund was established in accordance with New Hampshire Revised Statutes Annotated Chapter 35, Section 15.

Motion was made by Mr. Lermer and seconded by Mr. Knowles. Vote was by show of hands. MOTION CARRIED. No discussion.

ARTICLE XIII: (Recommended by the Budget Committee) To see if the Town will appropriate the sum of Five Hundred Dollars (\$500.00) for the purpose of repairing the Mosquito Commission truck and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

Motion was made by Mr. Knowles and seconded by Mr. Carrigg.
Vote was by show of hands. MOTION CARRIED.

Mr. Knowles stated that a competent mechanic was consulted; he favored repair in lieu of purchasing a new truck as a result.

Mr. Claverie questioned the possibility of amending this item to include in the line item budget (ARTICLE XVIII). The Moderator determined that this Article had to remain a separate issue, if the budgeted amount was not approved, the truck would not be repaired. The Moderator also stated that Revenue Sharing items could not be amended.

Mr. Miller was concerned about harm to children playing outdoors when the spray truck went by.

ARTICLE XIV: (Recommended by the Budget Committee) To see if the Town will appropriate the sum of Five Thousand Dollars (\$5,000.00) for the purpose of Recreation Commission Dearborn Park Improvements and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

Motion was made by Mr. Knowles and seconded by Mr. Carrigg.
Vote as by show of hands. MOTION CARRIED.

Mr. Knowles said the money would be spent to purchase a rubber tire facility for young people to enjoy. They were considered safe and many were seen in the surrounding area. The Recreation Commission would be responsible for putting it together using volunteer help. The playground would be worth more than the money spent.

ARTICLE XV: (Recommended by the Budget Committee) To see if the Town will appropriate the sum of Four Hundred Dollars (\$400.00) for the purpose of purchasing police guns and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

Motion was made by Mr. Lermer and seconded by both Mr. Carrigg and Mr. Knowles. Vote was by show of hands. MOTION CARRIED. No discussion.

ARTICLE XVI: (Recommended by the Budget Committee) To see if the Town will appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the purpose of town building maintenance and study and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

Motion was made by Mr. Carrigg and seconded by Mr. Lermer. Vote was by show of hands. MOTION CARRIED.

Mr. Pope questioned the kind of study. The answer was that there are no maintenance records currently and the Selectmen wished to hire an Engineer, who would not benefit from repairs recommended, to evaluate all town property.

ARTICLE XVII: (Recommended by the Budget Committee) To see if the Town will appropriate the sum of Thirty Thousand Dollars (\$30,000.00) for the purpose of hiring two EMT ambulance attendants.

Motion was made by Mr. Knowles and seconded by Mr. Lermer. Vote was by show of hands. MOTION CARRIED.

Mr. Knowles said that the Fire Department came to the Selectmen approximately 6 months ago as they were having a problem getting volunteers—especially during the day. The 2 EMT attendants hired would work during the day and also be required to do administrative work. The ambulance would continue to be manned by volunteers the rest of the time.

Mr. Seavey asked if the two individuals hired would be certified firefighters. Mr. Knowles responded that it would be nice if they were, but it would not be a specific requirement; future training may be provided at a later date.

ARTICLE XVIII: To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

A Motion to raise and appropriate \$1,536,299.31 was made by Ms. Batchelder and seconded by Mr. Lermer. Judith Batchelder, Chairman of the Budget Committee, presented the Budget line

by line, discussing the following items at the time:

Total Budget: Mr. Lermer stated that while there were significant increases, the tax rate went down. The school budget had gone up and was approved; Mr. Lermer hoped that the town budget would also be approved. Increases were due, in large measure, to town growth.

Town Officers Expenses: An amendment was made by Mr. Carrigg to add \$10,000.00 to bring the total budget to \$89,440.00. It was seconded. Mr. Carrigg explained that the additional money was necessary to hire an additional person as recommended by the auditor. Vote was by show of hands. AMENDMENT CARRIED.

Police Department: An amendment was made by Mr. Lynch to add \$1,000.00 to bring the total to \$255,265.86. The amount was left out due to a typing error. The amendment was seconded. Vote by show of hands. AMENDMENT CARRIED.

Mosquito Control: Mr. Claverie asked permission of the Moderator to call on Mr. Kirby to speak about the possibility of insurance problems as a result of spraying. Mr. Kirby stated the problem was serious and he doubted that the Town was covered. Mr. Kirby continued by saying that he personally did not believe the spray was harmful, but that the Town could be wide open for a law suit. Mr. Makin asked what was gained by spraying. Mr. Knowles called on Mr. Brooks to respond.

Mr. Brooks stated that the Town would have to stop spraying for one year and then make a comparison. He also stated that the Town had to be insured in order to receive a permit to spray. This year's permit has not been received as yet.

Mr. Miller questioned if everything that is sprayed is killed. Mr. Brooks informed all that they did not spray if individuals did not want their property sprayed. Written notification should be given in such cases. Mr. Brooks also stated that aduulticiding is only temporary.

Mr. Kirby questioned insurance and Mr. Lermer informed those present that the State of New Hampshire policy is that the Town does have coverage. He added that it is a "doubtful item" but probably they do have coverage.

Mr. Knowles felt that adulticiding is ineffective and larviciding was less expensive and makes more sense.

Mr. Carrigg informed voters that if they gave up spraying for a year, they would lose it permanently.

Mr. Parker questioned the cost of adulticiding and the cost of larviciding. Ms. Tillotson's answer was that the chemicals used for adulticiding were more but labor less; larviciding chemicals were not as expensive but labor costs were higher. It was determined that the cost would be about 50-50. Mr. Lerner said elimination of adulticiding would not save the Town money as labor costs would remain the same for the year and that the Town would only save approximately \$2,000 on chemicals.

No amendment was offered on the Mosquito Control budget line.

Parks and Recreation: Mr. Brandt made an amendment to add \$15,000 for repaving the driveway and parking lot. Amendment was seconded.

Mr. Lerner stated that he thought the amendment was inappropriate at this time; it should have been presented prior to the budget being set. Mr. Knowles agreed.

Mr. Vought commented that he thought the town may be liable for damage to cars as a result of potholes.

Vote was by show of hands. AMENDMENT DEFEATED.

The amended total budget, \$1,547,299.31, was voted by a show of hands. MOTION CARRIED.

ARTICLE XIX: To see if the Town will vote to adopt the following Town Ordinance:

POSTING OF HOUSE NUMBERS Every dwelling, building or structure (whether existing on the date of adoption of this ordinance, or which may exist in the future) located in the Town of North Hampton shall be required to have a number posted upon such dwelling, building or structure or upon the property where such improvements exist, so as to be plainly visible from the street which abuts the main entrance to such property. Such posted number shall be at such a height level and area where the number will not be obstructed. Every dwelling, building or structure which houses more than one living

unit or section shall also display a separate appropriate unit number or letter for each separate living unit, so as to be plainly visible on the main entrance to such unit or section of the main dwelling, building, or structure.

PENALTY The owner of any dwelling, building or structure who shall fail to post such numbers within thirty (30) days after notice from the Board of Selectmen of its duly authorized agent, shall be fined not more than Twenty-five Dollars (\$25.00) for each day that such number or numbers is not posted.

Motion was made by Mr. Lermer and seconded. Vote was by show of hands. **MOTION CARRIED.**

There was some discussion as to where numbers should be posted in order to be seen from the street. Mr. Lermer indicated that a number on a mailbox would be sufficient; it did not necessarily have to be on the house. The purpose of posting numbers where visible was for emergency purposes.

ARTICLE XX: (Recommended by the Conservation Commission)

RESOLUTION

WHEREAS, the 2500 acre Little River Watershed includes the largest block of undeveloped open space in North Hampton, and

WHEREAS, this watershed contains vital water, forest, wildlife and farm resources, and

WHEREAS, these resources are central to the scenic character of the Town.

NOW, THEREFORE, be it resolved that the Little River Watershed be designated as an area of vital natural resource value to the Town of North Hampton, and further that the Town through its Conservation Commission should endeavor to work with landowners of this watershed to conserve and protect these natural resources.

Motion was made by Mr. Knowles and seconded by Mr. Kirby. Vote was by show of hands. **MOTION CARRIED.**

Mr. Knowles explained that a series of educational meetings would be held to explain their rights; they may then decide if they wish to relinquish their right to develop. He explained that

this was purely voluntary; owners of property would make their own decision. Mr. Miller, whose property abuts, hoped that the amendment would pass.

ARTICLE XXI: On Petition of Thomas L. Haggerty, Jr., and more than ten other legal voters of the Town of North Hampton, to see if the Town will vote to require that:

Prior to the Town's determination that the Radiological Emergency Response (Evacuation) Plan is approved and capable of being implemented, all officials, agencies, organizations and individuals given an emergency response role in the plans sign a Letter of Agreement (as required by federal regulation NUREG 0654) indicating that they understand, are capable of, and are willing to carry out their responsibilities listed in the Town's Radiological Emergency Response Plan.

The Moderator declared the Article failed for lack of a second. Mr. Haggerty was not present to offer the motion.

ARTICLE XXII: On Petition of Thomas L. Haggerty, Jr., and ten other legal voters of the Town of North Hampton, to see if the Town will vote to require that all town officials, agencies and department personnel NOT participate in any nuclear emergency response exercises, drills or other related activities until the Town's Radiological Emergency Response (Evacuation) Plan has been approved by majority vote at Town Meeting after public hearing by the Board of Selectmen.

Motion was made by Mr. Miller and seconded. Vote was by show of hands. MOTION DEFEATED.

Mr. Miller spoke on Nuclear waste and lack of solution to the problem. He went on to quote the last line of the Selectmen's report.

Mr. Vought called a point of order stating that Mr. Miller's comments were irrelevant to the Article. The Moderator clarified the Article.

Mr. Lermer stated that Selectmen were told two weeks ago they did not have the right to approve or disapprove an emergency plan. The Town Attorney ruled that it was okay to discuss. Mr. Lermer was not in favor of the Article because the Selectmen do not have a choice.

Mr. Carrigg, Civil Defense Director, voted not to participate in the drill held due to problems with the plan.

Ms. Crowley questioned if as a town employee she would have to sign an agreement. Mr. Carrigg said it was not part of the school's responsibility.

Mr. MacDonald questioned whether or not town people could give their point of view on any plan offered. The Moderator again clarified the Article.

Mr. Vought asked if the evacuation plan lacked money. He was concerned that only \$200 was budgeted for Civil Defense but \$10,500 was budgeted for "bugs."

Mr. Dowd questioned interpretation.

Mr. Mixter asked Selectmen to post meeting dates pertaining to this plan.

Mr. Livingston stated that the Town has not had specific emergency plans and was concerned with money involved.

Mr. Knowles said there had been several open meetings and good discussions had taken place; the Selectmen would not move hastily.

Mr. Knowles moved to close debate on the Article and Mr. Robinson seconded. Hand vote. Discussion ended.

ARTICLE XXIII: To transact any other business that may legally come before this meeting.

Mr. Lerner thanked Mr. Stanley Knowles for his cooperation and hours of service for the Town while Selectman. Those present seconded by giving Mr. Knowles a standing ovation.

A motion to adjourn was made and seconded. The 1986 meeting adjourned at 9:10 p.m.

A true and official record of the 1986 North Hampton Town Meeting.

Respectfully submitted,

MINUTES OF SPECIAL TOWN MEETING**

A special town meeting of the inhabitants of the Town of North Hampton qualified to vote in the Town affairs was held at the Town Hall on Atlantic Avenue, in said North Hampton on Saturday, the sixth day of September, 1986, at 9:30 in the forenoon.

At 9:30 a.m. the Moderator Paul Cuetara opened the meeting and announced that due to overcrowding of the Town Hall the meeting would be recessed to the school and reconvene at 10:00 a.m.

At 10:00 a.m. the Moderator read the warrant and re-opened the meeting to act upon the following:

ARTICLE I: To see if the Town will vote to raise and appropriate the sum of \$65,000 to purchase one ladder truck for the Fire Department.

Mr. Walter Lermer moved that this article be accepted as read, seconded by Mr. Richard Lynch.

Hand Vote. CARRIED.

ARTICLE 2: To see if the Town will vote to enter into an agreement to purchase one fifteen hundred gallon pumping truck for the Fire Department at a cost of approximately \$140,000.00.

Mr. Walter Lermer moved that this article be accepted as read, seconded by Mr. Richard Lynch.

Hand vote. CARRIED

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$38,000.00 for the purpose of hiring seven Emergency Medical Technicians/Firefighters for the Fire Department of the Town.

Mr. Walter Lermer moved that this article be accepted as read, seconded by Mr. Richard Lynch. Discussion followed and motion was made by Mr. Frank Wolfsen to move the question. Hand vote to end discussion: YES 138, NO 105.

The article was voted by using the checklist with Yes/No paper ballots. The article passed.

YES 183 NO 91 ARTICLE PASSED

Mr. Stanley Knowles asked that the following resolution be voted, seconded by Mr. Lynch: "The Town of North Hampton wishes to acknowledge the eighteen years of dedicated work by the North Hampton Volunteer Ambulance Corp." The members of the Corp were asked to stand and were given a standing ovation.

Meeting adjourned at 11:20 a.m.

REPORT OF THE TRUSTEES OF THE NORTH HAMPTON PUBLIC LIBRARY

The Year 1986 marked a significant advance in Library service. The trustees were able to open the library six days a week. This has eliminated a great deal of confusion among patrons and provided students with additional library time for study. The library is open Monday and Wednesday from 10 a.m. to 8 p.m., Tuesday, Thursday and Friday from 10 a.m. to 5 p.m., and Saturday from 9 a.m. to 1 p.m.

In August we appointed Suzanne Weinreich, a member of our staff for two years, as head librarian. Mrs. Weinreich is a Danville resident. Angela McCarthy, a North Hampton resident, became Director of Children's Services in September. Our staff is anxious to hear from library users and welcomes suggestions for book purchases and for adult and children's programs.

After a number of delays and further study, the library is scheduled to have a new roof installed as soon as the weather permits. Combined with added insulation in the attic, the trustees anticipate that the library will be more energy-efficient and electric bills will not skyrocket as in the past. The staff is instructed to make every effort to conserve energy while maintaining a comfortable atmosphere for our patrons.

Thanks to the Friends of the Library the year saw a successful soup luncheon, a Halloween party for children, a Christmas cookie swap, and a road race in June. The Friends generously donated a large-screen television and VCR which has contributed to successful children's programming.

In the Year 1987, the trustees hope to further increase library service and patron satisfaction by ensuring the excellence of our collection for adults and children, and continuing to build our reference collection.

TOWN WARRANT
and
TOWN BUDGET**

THE STATE OF NEW HAMPSHIRE

TOWN OF NORTH HAMPTON

TOWN WARRANT FOR 1987

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the School Building on Atlantic Avenue, in said North Hampton on Tuesday, the 10th day of March, 1987, at 10 a.m. in the morning, business meeting to begin at 7:30 p.m., polls to close at 7:30 p.m. and to reopen at the close of the business meeting, remaining open until all who wish to have voted; to act upon the following subjects:

ARTICLE I. To choose one Selectman for a term of three years, one Town Treasurer, one Collector of Taxes and all necessary Town Officers for the ensuing years.

ARTICLE II. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE III. To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

ARTICLE IV. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes annotated Chapter 31: Section 95-b.

ARTICLE V. To see if the Town will vote to accept the reports of the Town Officers.

ARTICLE VI. (ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS:

To see if the Town will vote to amend SECTION 406 (Yard and Lot Requirements) by the addition of the following:

406.8 Industrial-Business/Residential lots shall include a landscaped buffer area around the perimeter of the lot. This area will be a minimum of ten feet wide along the entire property line. This landscaped area may not be used for structure, parking or access except where access is required and approved.

ARTICLE VII. (ON THE OFFICIAL BALLOT) ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, AS FOLLOWS:

To see if the Town will vote to amend Section 409.3(b) (Permitted Uses in Inland Wetlands Conservation Areas) by deleting Paragraph 9 and substituting the following:

9. Fill involving less than 1000 cubic yards and less than 7500 square feet of surface area with approval of the New Hampshire Wetlands Board.

ARTICLE VIII. (NOT RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to authorize the Selectmen to build a new police station and office for the Building Inspector and to demolish the present police station and to make needed repairs to the Town Hall. Further, to see if the Town will approve a bond issue of \$350,000.00 to be amortized over a period of ten years for this said purpose.

ARTICLE IX. (RECOMMENDED BY THE TOWN BUDGET COMMITTEE) Whereas the Town Meeting of 1986 failed to use paper ballots when voting on a bond issue to extend water lines to North Road and Park Circle, to see if the Town will reaffirm the vote to raise \$92,346.00, by a bond issue to be amortized over a five year period, for said purpose.

ARTICLE X. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to appropriate the sum of \$16,300.00 for the purchase of a four-wheel drive pick-up truck with snow plow for the Highway Department, and authorize the withdrawal of that amount from Capital Reserve Fund #10 (Highway Department), and authorize the Selectmen to act as agents for the Town in connection with the purpose for which the fund was established in accordance with N.H. RSA Chapter 35, Section 15.

ARTICLE XI. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to adopt the provisions of RSA 72:1-C which authorizes any Town or City to elect not to assess, levy and collect a resident tax.

ARTICLE XII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to appropriate the sum of \$126,000.00 for the purchase of a pumper fire truck for the Fire Department as authorized by the Special Town Meeting of September 6, 1986, and authorize the Selectmen to withdraw \$32,686.00, plus any additional accrued interest, from Capital Reserve Fund #5 (Fire Department), established in 1977, and to act as agents for the Town in connection with the purpose for which the fund was established in accordance with NH RSA Chapter 35, Section 15, with the balance of \$93,314.00 to be raised by a bond issue to be amortized over a period of five years. Any monies received by the Town from the sale of the pumper fire truck being retired would be used to reduce the bond issue.

ARTICLE XIII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to instruct the Moderator to appoint three (3) citizens to serve on a special unpaid committee to be known as a REGIONAL REFUSE DISPOSAL PLANNING COMMITTEE, for the purpose of studying the advisability of establishing a regional refuse disposal district and drawing up a proposed agreement therefor, as authorized by RSA 53-B.

ARTICLE XIV. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to raise and appropriate the sum of Five Thousand Six Hundred Dollars (\$5,600.00) for the purpose of meeting the expenses of the REGIONAL REFUSE DISPOSAL PLANNING COMMITTEE established in Article XIII.

ARTICLE XV. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to discontinue Capital Reserve Fund #3 (Town Buildings) as it is no longer used or needed. The fund, consisting of \$286.85 plus income, shall be returned to the general funds of the Town.

ARTICLE XVI. (RECOMMENDED BY THE BUDGET COMMITTEE) On petition of Dorita Snow and ten (10) or more voters of the Town of North Hampton, to see if the Town will vote to raise and appropriate the sum of Eleven Hundred and Twenty Dollars (\$1,120.00) for the purpose of defraying the cost of services provided to the Town and its residents by Seacoast Big Brother/Big Sister of New Hampshire.

ARTICLE XVII. (NOT RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will vote to adopt the provisions of RSA 72:37 for the exemption for the blind from property tax.

ARTICLE XVIII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate a sum not to exceed \$22,000.00 for the purchase of two new police cruisers, and authorize the withdrawal of \$15,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto, with the balance of \$7,000.00 to be withdrawn from Capital Reserve Fund #6 (Police Department), and authorize the Selectmen to act as agents for the Town in connection with the purpose for which this fund was established in accordance with N.H. RSA Chapter 35, Section 15.

ARTICLE XIX. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of \$4,300.00 for the purchase of a lawn mower for the Highway Department and authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

ARTICLE XX. On petition of Thomas L. Haggerty and ten (10) or more voters of the Town of North Hampton, to see if the Town will vote to instruct the Town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of North Hampton unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot.

ARTICLE XXI. On petition of John T. Bottomley and ten (10) or more voters of the Town of North Hampton, to see if the Town will vote to protect the health and safety of all residents by directing Town public safety officials to ensure that Town emergency plans take into consideration the operation of Seabrook Station, providing that the cost of these plans would be borne by the Seabrook owners through existing agreements with the State of New Hampshire. These plans would be developed regardless of any decision to reduce the official Emergency Planning Zone around Seabrook Station.

ARTICLE XXII. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE XXIII. To transact any other business that may legally come before this meeting.

Given under our hands and seals this _____ day of February
in the year of our Lord Nineteen Hundred and Eighty-seven.

The Board of Selectmen
Town of North Hampton

North Hampton, New Hampshire 03862

We have examined the general purpose financial statements of the Town of North Hampton, New Hampshire, and the financial statements of the Trustees, a component unit of the Town of North Hampton as of and for the year ended December 31, 1986. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1, the general purpose financial statements referred to above, do not include property, plant, or equipment asset balances and corresponding depreciation accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that the omission of the accounts described above results in an incomplete presentation, as explained in the preceding paragraph, the general purpose financial statements and the financial statements of the Trustees, a component unit of the Town of North Hampton, referred to above present fairly the financial position of the Town of North Hampton, New Hampshire, at December 31, 1986, and the results of its operations and changes in financial position of its proprietary fund types for the year then ended, in conformity with generally accepted principles applied on a basis consistent with that of the preceding year.

WILLIAM C. YOUNGCLAUS CERTIFIED PUBLIC ACCOUNTANT

TOWN OF NORTH HAMPTON
Notes to Financial Statements
Year Ended December 31, 1986

Note 1.) Summary of Significant Accounting Policies

The accounting policies of the Town of North Hampton conforms to generally accepted accounting principles for local governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis is used for all fiduciary funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- A. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.
- B. Prepaid expenses are not normally recorded.

Property, Plant, and Equipment

Property, plant, and equipment acquired or constructed for general government services are recorded as expenditures in the fund making the expenditure. Funds used to require general fixed assets and/or debt service payments on borrowing in connection therewith are accounted for as expenditures in the year payments are made. This is contrary to generally accepted accounting principles which require that general fixed assets be capitalized and accounted for in a separate fixed asset group of accounts.

Investments

Investment are stated at cost.

Types and Purpose of Funds

- A. General funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.
- B. Special Revenue Funds - used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes, or local law.
- C. Other Governmental Unit Funds (Agency) - The town collects taxes for the Winnacunnet School District, North Hampton School District, Rockingham County, and the Little Boars Head Precinct as required by law. These taxes are accounted for as agency funds.

TOWN OF NORTH HAMPTON
Notes to Financial Statements (Continued)
Year Ended December 31, 1986

Note 1.) Summary of Significant Accounting Policies (continued)

Types and Purpose of Funds (continued)

- D. Capital Reserve Funds - Used to account for financial resources to be used for the acquisition or construction of major capital facilities.
- E. Property Taxes - Property tax revenue recognition requires disclosure of property taxes receivable, which are to be collected beyond a period of 60 days subsequent to December 31, 1986, are recognized on the balance sheet and not reserved. The Town of North Hampton recognized, without reserve, all taxes receivable at the end of the fiscal year. This accrual practice is consistent with other New Hampshire municipal entities and more appropriately matches the liability to the school districts at December 31 with collections intended for school district payments through June 30 of the following year.

Property taxes collected by the town include taxes levied for the following governmental units as required by law. The town is responsible for all collections.

| | |
|----------------------------|----------------|
| Town of North Hampton | \$ 704,487 |
| Little Boars Head District | 13,930 |
| School Districts | 2,054,828 |
| Rockingham County | <u>155,563</u> |
| Total 1986 Tax Levy | \$2,928,808 |

The town raises revenue through taxation for abatements and refunds of property and resident taxes by an amount set as overlay. The tax overlay for 1986 was \$15,474 and abatements amounted to \$9,172.

Other General Accounting Policies

Retirement System

Several members of the Police Department, Fire Department, Highway Department, and Town Office are members of the New Hampshire Retirement System. Under this plan, participants contribute annually a percentage of compensation which is fixed by law. The Town's contribution rate for normal cost of the plan is based upon an actuarial valuation of the state plan as of June 30, 1986, at varying rates by occupation. Since the valuation is based on the entire state plan, the amount of excess vested benefits over fund assets is undeterminable for the town. The town has no past service cost obligation.

Year Ended December 31, 1986

Note 2.) Long Term Indebtedness and Town Borrowings

The following is a summary of the remaining general obligation bonds:

A. Issue of 1983 for water extension with interest at 7.75%

| | <u>Principal</u> | <u>Interest</u> |
|--------------|---------------------|--------------------|
| Due 12/10/87 | \$ 12,600.00 | \$ 1,636.57 |
| Due 12/10/88 | <u>12,600.00</u> | <u>976.50</u> |
| | <u>\$ 25,200.00</u> | <u>\$ 2,613.07</u> |

Debt retirement for 1986 was \$12,600.00.

The bonds are secured by the full faith and credit of the town.

B. Issue of 1986 for water extension with interest of 6.5% and a maturity of 5 years.

| | |
|-------------|---------------------|
| Due 9/15/87 | \$ 18,472.80 |
| Due 9/15/88 | 18,472.80 |
| Due 9/15/89 | 18,472.80 |
| Due 9/15/90 | 18,472.80 |
| Due 9/15/91 | <u>18,472.80</u> |
| Total Issue | <u>\$ 92,364.00</u> |

The town, on a short term basis, borrowed \$1,400,000 in anticipation of taxes during 1986. The amount was fully paid prior to year end.

Note 3.) Non-Expendable Fund Balances Reserved for Endowments

The Trustee of the Trust Funds is the fiduciary of certain non-expendable, limited purpose trust funds as restricted by the terms of the grantors. Only the income earned may be expended. The trustees non-expendable trusts are listed as fiduciary trust funds. The amount of trusts and purpose as of December 31, 1986 were:

| | <u>Principal</u> | <u>Interest Designated</u> | <u>Total</u> |
|---------------------|---------------------|----------------------------|---------------------|
| Cemetery Endowments | \$ 94,427.32 | \$ 3,261.28 | \$ 97,688.60 |

Year Ended December 31, 1986

Note 4.) Restricted Special Revenue, Special Purpose Accounts, and Capital Reserve Funds

As of December 31, 1986, the Town had the following special revenue funds committed, but not expended.

A. Revenue Sharing:

| | |
|---------------------|--------------------|
| General Government | \$ 6,656.45 |
| Police | 20.00 |
| Library | 1,229.50 |
| Health & Sanitation | 500.00 |
| Recreation | 89.39 |
| | <u>\$ 8,495.34</u> |

B. Conservation Commission, formerly capital reserve for acquisition.

\$17,816.88

C. Capital Reserve

| | |
|--------------------|--------------------|
| # 2 Water Fund | \$ 779.52 |
| # 3 Town Buildings | 301.13 |
| # 5 Fire Truck | 34,725.54 |
| # 6 Police Cruiser | 6,727.44 |
| #10 Highway Truck | <u>25,121.70</u> |
| | <u>\$67,655.33</u> |
| TOTAL | <u>\$85,472.21</u> |

Note 5.) Contingencies and Unasserted Claims

During 1984 the Town of North Hampton was identified by the State of New Hampshire and the United States Environmental Protection Agency as a potentially responsible party in relation to clean-up costs resulting from the contamination of a landfill site located within the town.

As of our audit date no legal proceedings have been asserted by any party.

The clean-up costs at the site are expected to be substantial. If claims are asserted and judgements are adverse to the town it is reasonable to anticipate that the effect on the town's financial position would be significant.

REPORT OF THE POLICE DEPARTMENT FOR THE TOWN OF NORTH HAMPTON

The growth of the town increased in 1986 at a rapid rate. We have listed 23 more new businesses this year over 1985 giving us a total of 233 with approximately 40 home businesses. We have had new roads added and more proposals before our planning board for the year to come. With the roads come the development and more residents, increasing our population.

The traffic on Rte. 1 has increased over the year causing more traffic to use the side roads, so we all have more vehicles passing our houses now. The average vehicle counts for June on Rte. 1 in 1986 is 18,629 *a day* or 539,333 a month, an increase of 13.1 percent over June of 1985. July is up 11.1 percent over 1985, August up 12.7 percent and Sept. up 15.2, so you can see why we have problems getting around town. With the increase of people in town and those traveling through, police activity has also increased. A breakdown instituted for record keeping is included to give you an idea of the year's activity.

REPORT OF THE NORTH HAMPTON FIRE DEPARTMENT

Your Fire Department responded to 173 calls during 1986. These consisted of 70 structural fires, 27 mutual aid calls, 12 automobile fires, 29 automobile accidents, 9 grass and wood fires, 19 miscellaneous fires, and 7 calls for public assistance. The ambulance responded to 206 calls.

Currently the Fire Department has 13 full-time firefighters, of whom 8 are Firefighter Emergency Medical Technicians. The Fire Department now mans the ambulance 24 hours a day with trained EMT's. The Department also has 17 Call Men who are active in Fire Department activities.

I would like to thank everyone who has been of assistance to the Fire Department this past year. I would also like to invite anyone who may have an interest as a possible Call Fireman to stop in at the station at any time. We will be glad to show them around, explain our equipment, and talk with them about the operation of the Department. Volunteer Call Firemen are an important adjunct to our Department and render valuable service.

Once again may we thank the Ladies Auxiliary for their services which they have rendered over the past year.

**REPORT OF THE FOREST FIRE WARDEN
FOR THE TOWN OF NORTH HAMPTON
AND THE STATE FOREST RANGER**

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

REPORT OF THE HIGHWAY DEPARTMENT TOWN OF NORTH HAMPTON

During 1986 there were fifteen snowstorms with a total accumulation of approximately 43½ inches, plus six freezing rainstorms. We were able to take care of these situations satisfactorily.

Summer maintenance consisted of cold patching of the potholes, picking up litter alongside the highways, and trimming and grooming the vegetation along the roads.

This last year we paved Woodland and Pine roads under our annual paving program. No sand sealing was done because of lack of available funds. We also replaced three culverts last year. These were on Lovering, Birch and Chapel roads.

Vandalism continues to be a problem causing us to replace many road signs each year. Please notify us if there is sign damage in your area.

Respectfully submitted,

Robert D. Strout
Director of Public Works and Highways

REPORT OF THE HIGHWAY SAFETY COMMITTEE

This year our interest has centered on the Lafayette Road, US-1. When they built I-95 they told us that the traffic on US-1 would dwindle to the point where “grass would grow in the road.” Not so. The traffic now on Lafayette Road is far heavier than it ever was. Add to that the fact that our Town is experiencing considerable growth along this road and you have an increasingly dangerous situation.

We have appeared before the Planning Board and Chief Golden has explained the efforts he and our Committee are making towards “signalizing” (i.e. putting traffic lights) at one or more intersections opposite the larger shopping center. Probably the first priority is the crossing between the center and the Post Office, and there is a possibility of another light south of that.

There will be increased signalization at the intersection of US-1 and 101-D (Atlantic Avenue) probably within a year. This will feature delayed lights to facilitate left turns.

It appears that the information we had received in earlier years regarding making US-1 a divided highway is not about to happen – if ever. One of the problems is what to do with a divided highway when you enter Hampton for instance.

We are always glad to receive input from citizens on the matter of highway safety. Please feel free to call any of us at any time.

Respectfully submitted,

Richard A. Nelson,
Chairman

REPORT OF THE BUILDING INSPECTOR

Building activity in our Town for the year 1986, together with a comparison for 1984 and 1985 is listed below. Two Hundred Eighty-five (285) total permits were issued in 1986 compared with 276 permits the previous year. The figures follow:

| | 1986 | 1985 | 1984 |
|-----------------------------|-------------|-------------|-------------|
| Total Building Construction | \$9,636,748 | \$9,055,570 | \$7,335,174 |
| Amount of Annual Increase | 581,178 | 1,720,396 | 2,248,101 |
| Permit Fees Received | 49,100 | 46,026 | 36,865 |
| Annual Dollar Increase | 3,075 | 9,610 | 10,618 |

Our inspectional activities continue to increase each year. For 1986 they were as follows:

REPORT OF THE NORTH HAMPTON CONSERVATION COMMISSION

1986 has been an important conservation year for residents of our Town. The addition of "Ship Rock" to our adjacent conservation land on Woodland Road will make a hike through this lovely area more enjoyable.

The Conservation Commission is very concerned with the Little River watershed and the need to protect this vital natural resource. A few owners of land in this watershed met with the Conservation Commission last spring, together with members of a State Conservation group to hear the options available regarding the donation of tracts of land that will be "forever free." A special thanks to Mr. Phil Auger of this group for his help and assistance given to our commission in 1986.

Finally, in December, Stan Knowles spoke on The Trust for N.H. Lands, and their concerns for protecting green areas, especially in the Seacoast region. More information about this organization will be available this coming year.

Respectfully submitted,

REPORT OF THE NORTH HAMPTON MOSQUITO CONTROL COMMISSION

The summer of 1986 was a normal season with normal occurrences—the truck broke down, the sprayer broke down and it rained too much. Mosquito-wise the summer was average. There were no record high peaks in the mosquito population, although some residents might argue that point.

A combination of insecticides was used to control mosquitoes, ranging from oil and hormones to organophosphates and botanicals. Integration of control methods prevents resistance to insecticides from developing.

Immature mosquitoes, or larvae, live in shallow, stagnant water. These larvae are controlled with a granular insecticide known as ABATE. ABATE is a stomach poison, so it must be eaten by the mosquito. As larvae mature, they stop feeding. Therefore, ABATE becomes useless. At this point, a thin layer of oil called GOLDEN BEAR is applied to the water where mosquitoes are breeding. The oil forms a barrier preventing the mosquito from obtaining necessary oxygen. It suffocates.

Once the mosquitoes have hatched into the air, we begin monitoring the population. Traps baited with white light and dry ice attract a wide variety of adult mosquitoes as well as many other insects and spiders. These light traps indicate when population numbers are reaching annoyance levels. This tells us when to adulticide, or spray for adult mosquitoes at night with the truck. Once again, CYTHION was used to control adult mosquitoes. CYTHION is a premium grade malathion, a contact poison. One drop will kill an adult mosquito. The insecticide must contact a mosquito quickly since CYTHION breaks down within 1½ hours. This insecticide does not persist in the environment.

Each insecticide used for mosquito control today is designed to breakdown quickly eliminating any threat of build-up in the environment. These insecticides are carefully applied to avoid harming nontarget organisms, especially beneficial insects such as bees.

The greenhead traps were used for a second year. These black boxes are chemical-free. The greenhead fly enters the trap from the bottom thru a narrow opening. The fly rests on the screen at the top of the trap. Unable to escape, the fly dies from dehydration. This is a safe, inexpensive way to control greenhead flies.

The greatest challenge this past season was training a new crew. Three year veteran, Miss Goodson, did not return for a fourth season. I quickly discovered the advantages of working with an experienced person. She knew just what to do and when to do it, without being reminded. She knew what went wrong and how to fix it. She has been greatly missed.

The new assistants were fast learners, but they still needed time to be trained. William Flynn, Jr. of Rye was in charge of the 2 adulticiding routes. He mastered these routes quickly despite his handicap – the truck. Bill never quite developed the affection for the spray truck that his predecessor had. Bill admitted that driving the truck was easier once the blisters on his hands healed and the calluses developed. Next time we should purchase a truck with power steering.

Many thanks to my assistant, William Flynn, Jr. and to the North Hampton residents for their understanding and patience during our equipment problems. I would also like to thank the residents who allow us to use their property for adult monitoring. Finally, I must thank the mosquitoes for their competitive spirit, even though they cheat.

Sincerely yours,

Sarah T. MacGregor

REPORT OF THE SEACOAST VISITING NURSE ASSOCIATION

During fiscal year July 1, 1985 to June 30, 1986, 1,560 calls were made to residents of North Hampton.

| | |
|------------------------|--------------|
| Nursing | 1,118 visits |
| Physical Therapy | 175 visits |
| Speech Therapy | 1 visit |
| Home Health Aid | 266 visits |

Of these calls, 228 were made to 47 patients free of charge or at a reduced fee. Skilled nursing services are available twenty-four hours a day, seven days a week.

Currently, 30 children from North Hampton are enrolled in our Well Child Clinic. Funding for these services is provided, in part, through the New Hampshire Division of Public Health Services, Bureau of Maternal and Child Health. Well Child Clinics are held twice a month to serve children from birth to six years of age from families who meet federal income guidelines (O.M.B.). Dental Clinics, staffed by Dental Hygienists from the State of New Hampshire Dental Bureau, are held twice a year for children, ages three to six years old. Further treatment, when needed, is provided by the Bureau of Dental Health. The school nurse may send children to our office at no charge during the school year if the students' immunizations need to be updated as required by law. Our agency has recently developed a Toddler Car Seat Program, whereby a car seat may be borrowed for short-term use or for as long as two years for a small rental fee.

Daily between 8:00 a.m. and 4:00 p.m., a walk-in service is available to all North Hampton residents at our office at Seacoast Village, 29 Lafayette Road, North Hampton, for free health counseling and blood pressure monitoring. This past year we have had 53 North Hampton residents make 209 visits to our office for injections, diabetic teaching, blood drawings, or blood pressure monitoring. Flu Clinics are held each Fall in our office, as well as at local health fairs. Vaccine is also provided for homebound patients.

Our staff consists of six full-time Registered Nurses, three part-time Registered Nurses, two Physical Therapists, one Occupational Therapist, one Speech Therapist, one full-time Home Health Aide, one part-time Home Health Aide, a secretary and a bookkeeper. We also contract with Area Homemaker/Home Health Agency which enables us to refer local residents for homemaker assistance.

REPORT OF THE NORTH HAMPTON RECREATION COMMISSION

Thanks to the enthusiastic support of the town, the Recreation Commission has had the opportunity this year to improve the recreation facilities in North Hampton.

Our first priority of the year, the installation of a community-built playground, was successfully accomplished on April 19th. The Rec. Commission would like to extend its thanks to the great number of townspeople who donated so much time, material and expertise to the project. It was truly a community effort that we can all be proud of. "Our ship came in" at Dearborn Park, and since April the children of North Hampton have made good use of the "Tiretanic" playground. Another big improvement at Dearborn has been the installation of seasonal water to the park with a fountain and hose hook-up now in place.

Our 1986 summer recreation program was again successfully directed by Jacqueline Haight along with three enthusiastic staff members. The program registered 127 children during its six week duration. North Hampton children also enjoyed six weeks of tennis lessons at Dearborn Park, with 28 registrants.

The North Hampton School gymnasium continues to be used on a weekly basis for adult co-ed volleyball.

Goals for 1987 include the resurfacing of the parking lot at Dearborn Park. The Recreation Commission feels that for safety reasons, as well as aesthetically, the paving of the lot would be a great benefit to the Town and would be another step toward improving our overall recreation facilities. Budgeted for 1987 are picnic tables for Dearborn Park.

Due to the continued development in North Hampton, the Recreation Commission feels that the acquisition of land for future recreational use is of great importance.

The Commission welcomes any suggestions or recommendations from residents.

REPORT OF THE NORTH HAMPTON YOUTH ASSOCIATION

1986 has been a year of great growth in our programs, especially in the lower grades. Because of the number of youth involved in the Soccer program, the Dearborn Park soccer field was divided crosswise into three small fields. We felt the pinch of the lack of field space for Soccer. We have the same problem in the Spring with Baseball. We have been working for several years on different solutions to our complex problem. We met with the Selectmen in November to see about some town contribution to a field project. At this time we are looking for good field space to expand our programs onto. We appeal to the townspeople for a site of land next to a town road or street.

We thank ALL the parents who work on raffles, coaching and on the Board of Directors whose voluntary time and efforts make our programs for the youth possible.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I submit, herewith, my Annual Report for your School District.

The School Board faced a major personnel change during the summer of 1986 when Mrs. Joan Hammond, Principal, resigned to accompany her husband who was transferred to California.

Through the efforts of your School Board, your staff in general, and Acting Principal Wayne Elliott, in particular, your school had an excellent opening in September.

Staff Representatives and Board Members spent many hours in many meetings to assure the citizens of North Hampton that the educational leadership of the district would remain at the same high level of professionalism that it has enjoyed in the past. The Board's dedication to achieving this goal necessitated two separate and distinct advertising, screening and interviewing processes. However, because of the sincere desire of the members to provide you with the best, their efforts on your behalf were well rewarded with the appointment of Mr. Gordon Quimby, an experienced and highly capable administrator, as Building Principal.

Coupled with this highly significant appointment, the School Board initiated a survey and study to determine what is required to bring the school up to current life safety code and programmatic standards. This project is being handled by the firm of Neill and Gunter. This study has the capability of providing for long-range planning as such planning relates to facilities needs.

The staff, community members, and the School Board also began the process of determining and prioritizing long-range educational goals. By combining both long-range educational goals and faculty needs, the district is in a position to initiate long-range planning.

There appears to be a continuing concern regarding mathematics. However, the Board, staff and administration are aware of your concerns and have made budgeting provisions to begin to work on this concern immediately.

In summary, it appears the staff of the North Hampton Elementary School continues to provide an excellent education for your children and the School Board and Principal are initiating programs and planning which will only serve to enhance that educational program in the future.

Respectfully submitted,

Norman C. Katner

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
North Hampton School District
North Hampton, New Hampshire

We have examined the general purpose financial statements of the North Hampton School District and the individual fund financial statement of the School District as of and for the year ended June 30, 1986, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the North Hampton School District, at June 30, 1986, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Also, in our opinion, the individual fund financial statement referred to above presents fairly the financial position of the fund at June 30, 1986, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the individual fund financial statement. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the North Hampton School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose and individual fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

REPORT OF THE PRINCIPAL

NORTH HAMPTON ELEMENTARY SCHOOL

In the two short months I have been your principal, I have learned a great deal about our school—its facilities and equipment, its curriculum and programs, and its students and staff. In my first report to you, I will share some of my observations and some of my thinking about the directions I believe we ought to be taking together.

Facilities and Equipment

Our school is a fundamentally sound educational facility. Its classrooms are spacious and convenient, its offices and core facilities are utilitarian, and its furniture and equipment are appropriate and functional. However, age, use, and lack of consistent upkeep have taken their toll. The building is poorly ventilated and inconsistently heated. Classrooms, halls, and offices all need refurbishment. Library space is sub-standard, the cafeteria is noisy and the kitchen inadequate, and there is terribly inadequate storage throughout the building. Much of the furniture in the building is tired and worn. A substantial amount of the educational equipment in the building is antiquated.

It is my responsibility as your principal to inform you of these facts and to make sound recommendations for the future. The budget, which you will vote on at the Annual District Meeting, is my first opportunity to address some of these matters in a concrete fashion. You will find a number of accounts which reflect substantial increases over prior years' spending; we must repair what we can, replace what we must, and begin the process of systematic maintenance and replacement. In addition, we must examine the future and develop plans, which will involve additional space and equipment, to address the physical needs of the outstanding educational system which we need, ought, and want to provide for our children.

Curriculum and Programs

My observations in this area are much more positive than those in the previous section. I find North Hampton and S.A.U. 21 to be places where good things are happening. Our curriculum is comprehensive, well-structured, demanding, current, and growing. Children have the opportunity to learn essential basics, to encounter excellent enrichment opportunities, and to receive appropriate remedial and developmental help. Efforts to improve and upgrade

the schools' curriculum are ongoing. Co- and extra-curricular opportunities are abundant and challenging. Our students are well-prepared for secondary education, in all its aspects.

I would be remiss if I did not point out areas where improvement and growth can still occur. We will continue to address the complex area of special education: the budget reflects a substantial increase in this area—an increase which is necessary and appropriate and which is, in fact, much less than it might have been. The role of computers in our school requires more effort, expenditure, and direction. Our programming, both in and out of the classroom, for gifted or talented students requires attention. Finally, there is a strong belief among staff and community that our math curriculum needs strengthening. This issue is addressed in our budget with the proposal to hire a math specialist and to spend a healthy sum on math manipulatives and instructional materials.

Students and Staff

I have saved the best for last. I am extremely impressed by the effort, achievement, involvement, and commitment of our students. Most of our students like school and take pleasure in learning. A remarkable number of students are involved in extra- and co-curricular activities. Their standardized achievement scores continue to be well above the norm. Their efforts for their school, their community, and themselves are noteworthy. Furthermore, they are happy; they smile and are friendly. They have made me feel very welcome.

Our staff is highly committed, well trained, and very competent. They demonstrate a remarkable level of professionalism in their planning and in their instruction. They are universally involved in in-service training programs and professional growth. They demonstrate daily a high degree of concern and caring for their students. They, too, have made me feel welcome.

Of course, these are all human beings. Students and staff have problems. However, I am confident that, through good communication, prompt and equitable problem resolution, and openness and honesty, all problems can be resolved.

In conclusion, I would like to thank the Superintendent, Dr. Katner, and the School Board for their confidence in me. I would also like to thank the many parents and citizens who have gone out of their way to make me feel at home in my new school. Thanks also to the Boosters, who so graciously welcomed me and my family and who make such a tremendous contribution to the life of our school.

Thanks are due Mrs. Beverly Sarno, our school secretary, without whom I would be lost. Finally, I must thank Mr. Wayne Elliot for providing leadership prior to my arrival and for assisting me daily in getting to know our school. All of you have made me confident that together we can make North Hampton Elementary the finest of schools.

Respectfully submitted,

Gordon P. Quimby, *Principal*
